Religious Education Lessons

Please remember, from September we are fully back to school, and have been reminded by the Bishops of England and Wales to ensure each weekly class timetable adheres to 10% Religious Education curriculum time. You will of course now know the amount of knowledge and understanding the children have missed. Please do not be unnecessarily concerned or try to 'catch-up' rather see this an opportunity that children will or are continuing to consolidate their learning.

Archdiocese advice is to keep teaching the content, which you may need to adjust or retell in a way that meets children's needs. Use earlier skills to consolidate learning, such as recognising, retelling, talking about etc. We have the added benefit of our liturgical seasons that can provide great awe and wonder moments.

Come and See Formal Assessment - Underlying Principles

***Nursery/Reception** - portfolio of annotated work from each topic including for example, photographic evidence. These may be linked with Early Learning Goals. There is an assessment booklet on the CED website that will help.*

***Years 1-6** - Formal Assessment is on a 3 year cycle so that each theme is assessed formally twice throughout Key Stage 1 and 2. (N.B. Other strands may also be covered in these topics)*

*Assessment should be undertaken following **Remember**. An activity will be undertaken that enables children to show how they have met the Learning outcome. There are examples on the CED website. Following moderation, the outcomes will be added to a class tracker that must also identify each individual's progress over time.*
